<b>175</b>	<p><b>Correspondence:</b> Following PR consulting with the Chair of Utkinton PC, TW &amp; Utkinton PC have responded to the planning agents for Fox and Barrel stating that if they wish to organise a public meeting members of the PC will attend and will publish details of the meeting to the parish. TW has circulated Chalc correspondence for Community Orchards, but at this point the PC are not in a position to act on this. TW noted to council, that not every piece of correspondence is noted, as she receives over 200 emails per month – anything requiring action is carried out, many emails are forwarded to the PC and many simple responses, not requiring Cllr input are sent out. It is totally impractical to list every piece of correspondence.</p>
